

Drawn Together 2024 Instructions

Framing Rules

Artwork is to be hung with a wire hanging device. **No Sawtooth hooks will be hung.**

If you are not quite done with your drawing, get it designed now so that your framer has time to order materials. Then he/she can just assemble it when the work is completed.

Labels

Label information should include;

- artist's name
- title of piece
- medium (i.e. colored pencil and Pan Pastel)
- price for sale or NFS

*Email label information to Michiyo Fullerton at michiyo.fullerton@gmail.com by **11/15**.*

Art Drop Off

Artwork can be dropped off at Eagle Brook any time from 11/12- 11/22 during club hours.

All artwork must be delivered in a plastic bag with your name written in marker on the outside. Protect your work with bubble wrap or packing material rather than a towel or blanket. Make sure your artwork is **labeled** on the back with your name, art title, and medium.

Art Pick Up

Artwork is to be picked up immediately after the show. Your bag with your name on it will be available for you to transport your work home. **All work is to hang for the ENTIRE duration of the show, ending at 3:30.**
